#### **General Disclosure**

In most areas of the country, **state or local law does not require that you purchase an outer burial container** (Burial Vault) to surround the casket in the grave. However, many cemeteries require that you have such a container so the grave will not sink in. Either a grave liner or burial vault will satisfy these requirements.

The only warranties, expressed or implied, granted in connection with goods sold with this funeral service are the express written warranties, if any, extended by the manufactures thereof. No other warranties of merchandising fitness for a particular product are extended by the seller.
